Parent Teacher Meetings

P1: Thursday 17 September 1.15 - 2.00pm
Tea/coffee available at this meeting
Thank you for attending this week's Parent Meetings. We hope this was a useful occasion for the exchange of class practices. One big area of concern arose in particular to do with traffic on Alexandra Park - the speed of cars being the issue. I would ask you to moderate your speed should you use this road and indeed consider whether this should be a car-free area re pick-ups and set-downs. We do not want our children to be harmed by speedy drivers and we would rather a child arrived late for class than not at all.

P4 Hockey starts Monday in PE. Please bring shin guards to school for wearing under striped socks. Girls may wear their skort, boys may wear striped top and black shorts. All P4s should have tracksuit bottoms with them.

P5-7 will do cross country during PE this week - please remember a change of shoes/trainers and a plastic bag in case the ground is mucky.

P5-7 will continue with hockey in games this week - please remember hockey stick, shin guards and mouth guard.

Reminder to double check time and location for pick up after clubs. Netball pick up is at the senior school hall beside the main office, not the pavilion.

Reminder that swimming kit is plain black swimsuit/trunks. A small logo is permitted. If your child has a verruca, please purchase a swim sock to allow them to participate.

ALL children should bring a waterproof coat to school with them.

Prep 5 went on the first school trip of the year to the Ulster Museum yesterday. We thoroughly enjoyed our lesson with Stuffee and were amazed to see just what was inside our bodies. We also managed to squeeze in a visit to Discover Nature and we can't wait to return! Check out our photos on the Website.

Prep 5 also took assembly today on the characters of assorted Roald Dahl books. They were great actors and everyone loved their portrayals. Well done! Thank you to everyone who participated in Random Roald Dahl Get Caught Reading Challenge.
