Please note that the recent Prep Inspection report is now able to be viewed on www.etini.gov.uk. We are delighted with the outcome. In spite of teachers being restricted by ongoing Union action, enough information was able to be shared with the Inspectors in their meetings with Prep 7 pupils about standards in Literacy & Numeracy, as well as with Prep 6 pupils, regarding our Child Protection & Safeguarding issues. The Inspectors raised no issues of concern and have passed on the few Parents' comments raised in questionnaires for our consideration. They were also highly complimentary about our Governors.

P4- P7 attended a workshop in the Senior School with the poet Ash Dickinson on Monday.

Prep 4 made up a few poems for Mrs Thompson's retirement assembly. She was both moved and touched by their lovely lyrics.

Here is a picture of the Prep 5 girls handing over the money they raised from the sale of their hair bands and keyrings.

Prep 1 and their Prep 7 buddies enjoyed a trip together to Mauds for Ice cream.

All had a lovely time!

Well done to the children below in the STEM Challenge competition and a huge thank you to Dr Patterson for accompanying them to this event.

Prep 6 had a super day at Hollywood Golf Club. What a fantastic facility to have on our doorstep! The class enjoyed taking turns in the simulator room, practising their swing and trying out different clubs. We played a few games which tested our skills. These included darts, smashing windows on a derelict building and imagining we were playing some of the greatest courses round the world! Even Mrs Wilson joined in.

Afterwards we went onto the putting green to sharpen up on our short game! This was much more challenging than it looked, but many of us surprised ourselves. What a lovely day out. Thank you to our great coaches Ricky and Michael.

Hollywood Golf Club are hosting various summer camps during July and August. Why not check out their website.
