IMPORTANT INFORMATION

Neurodiversity week: We shared a special launch assembly on Monday to talk with children about how everybody has a different brain, we are all unique and how we can best look after our brains by exercise, diet, sleep & limiting screen time! This was followed by a special 'sharing assembly' at the end of the week, when each class showed the other children what they had learnt!

Foundation Stage Winter Wonderland: Thanks to Mrs Hendron, the parents and family members who attended to find out about the Fundamental Movement Skills & Body, soul and mind in PE!
