## SCHOOL PRODUCTION - THE LION KING

Thank you to everyone for making this production such a success!

To our parents for supporting with learning lines and listening to endless replays of 'Circle of life'; to our teachers and assistants for working with the children at rehearsals, practicing dances and organizing costumes; To Mrs Rowan for all her preparation with the choir and Mrs Matthews for all her work on sound and lighting and encouraging the children ..... it has been an amazing performance!

However, most of all to thank Miss Johnson for her vision of the Lion King production and for all of her enthusiasm and talent, encouraging our children to be their best! I think we will all agree it was an amazing first production for Miss Johnson at the Prep... the first of many!

A special mention to Anna Johnson for the scenery, Clara Kerr and Jade Magee (JEM dance) for the choreography.

Mrs Ballard
